Ready for the **big tasks**

Versatile, robust, powerful: the new Crafter is made for the really tough jobs – whether as a panel van, flatbed lorry or chassis cab. But the new Crafter goes one step further. With its new Digital Cockpit Pro, you have all the information you need at a glance. Modern infotainment and outstanding connectivity offer you not only more entertainment, but also greater comfort on the road. Additional driver assistance systems make getting to your destination even easier. The new Crafter is designed to support you even better in your everyday work.
